EXPERIENCE

BILLING SIMPLIFIED, SLC | UT

Lead Frontend Developer, June 2016 - July 2016

I built out the front-end of a medical billing software using the Angular, JavaScript, HTML/CSS and Gulp/SASS. I gained invaluable experience working hands-on with a client and meeting their specific development/design needs.

DEVMOUNTAIN STUDENT DEVS, PROVO | UT

Full Stack Web Developer, June 2016 - June 2016

I built a prototype web app for a client looking to jumpstart his software idea and a business website for a mechanic shop.

DEVMOUNTAIN VIDEO PRODUCTION, PROVO | UT

Intern, May 2016 - May 2016

I was chosen as an intern to record daily lectures, develop DevMountain projects and help with campus operations.

RENTITSOCIAL.com, SLC | UT

Cheif Operating Officer, March 2013 - April 2014

Rent It Social was a startup that I pursued along with a friend. The idea was peer-to-peer renting. It was then that I realized the true value of computer programming.

KSL.com, SLC | UT

Sales & Marketing, August 2011 - March 2013

KSL is a renowned media brand in Utah. I helped small businesses with digital ad campaigns on KSL.com. I worked on ad placement, design, SEO & features in the classifieds section.
